### Your Destination, includes sightseeing

Located on the central Eastern coastline, Spain's Costa Blanca is a popular destination for tourists who arrive every summer to take advantage of the warm climate, sun-drenched beaches, laid-back lifestyle and lively evening culture. Calpe is situated approximately 60km from Alicante airport. With around 13,000 inhabitants, this unassuming former fishing village has become a popular resort. A distinguishing feature of the town is the "Penon de Ifach", an imposing rock which rises from the sea and creates a unique landscape for this coastal resort.

Calpe's two main beaches, the Cantal Roig and the Playa Arenal, are renowned for their long stretches of fine sand and clear waters, perfect for swimming and also popular with surfers. Protection from the wind by surrounding mountains means that the town's beaches generally remain warm and the sea calm.

The port comes alive in the afternoon as the daily catch makes its way inland and diners are invited to sample the fresh local seafood for dinner in one of the many restaurants surrounding the harbour. As well as a good choice of restaurants serving local specialities (the Valencian Paella is a must-try!), there is a good selection of international dining choices including Argentinian, Italian and other European cuisine. Calpe boasts some fantastic bars and clubs playing a wide range of live music including Flamenco bars and karaoke pubs which remain open until the early hours of the morning. For a wilder evening, Benidorm is just 20 minutes by bus.

Shopping in Calpe offers the usual traditional local handicrafts such as wickerwork, ceramics and leather goods, as well as a wide assortment of souvenirs jewellery and trinkets.

At Your Destination

Banks and Money: The easiest way to buy obtain euros is by using a credit card at the cashpoints which are located at five minutes walking distance from the hotel. You can buy small amounts, as often as you like, at any time, without queuing. You will need to know your P.I.N. Bank opening hours are normally 9.00 a.m. to 2.00 p.m. Banks will change cash, travellers cheques and will sell you currency on your credit card providing the lines are open. You will always need to show your passport at a bank.

Tipping is generally not that common in Spain. There is no need to tip taxis but it is usual to leave a 5 - 10% tip at a restaurant if you are particularly pleased with your dinner/lunch.

We feel our tour hosts work hard to give you an exceptional holiday and sometimes you may find that they add some special touches which are beyond the call of duty. If you agree with us, you might wish to show your appreciation by way of a tip. You can do this by putting money in an envelope on your own or by getting together with other guests. This evidently is entirely at your discretion.

Making friends with the Locals and people not on the holiday: The dance classes and dance evening events in the hotel at night are exclusive to Dance Holidays clients. Generally, we discourage people who are not on the holiday from joining our activities and we ask for your discretion in this respect. By all means, outside of the itinerary, do mix with other holidaymakers staying in the hotel.
