Your Destination, includes sightseeing

Located on the central Eastern coastline, Spain's Costa Blanca is a popular destination for tourists who arrive every summer to take advantage of the warm climate, sun-drenched beaches, laid-back lifestyle and lively evening culture. Calpe is situated approximately 60km from Alicante airport. With around 13,000 inhabitants, this unassuming former fishing village has become a popular resort. A distinguishing feature of the town is the "Penon de Ifach", an imposing rock which rises from the sea and creates a unique landscape for this coastal resort.

Calpe's two main beaches, the Cantal Roig and the Playa Arenal, are renowned for their long stretches of fine sand and clear waters, perfect for swimming and also popular with surfers. Protection from the wind by surrounding mountains means that the town's beaches generally remain warm and the sea calm.

The port comes alive in the afternoon as the daily catch makes its way inland and diners are invited to sample the fresh local seafood for dinner in one of the many restaurants surrounding the harbour. As well as a good choice of restaurants serving local specialities (the Valencian Paella is a must-try!), there is a good selection of international dining choices including Argentinian, Italian and other European cuisine. Calpe boasts some fantastic bars and clubs playing a wide range of live music including Flamenco bars and karaoke pubs which remain open until the early hours of the morning. For a wilder evening, Benidorm is just 20 minutes by bus.

Shopping in Calpe offers the usual traditional local handicrafts such as wickerwork, ceramics and leather goods, as well as a wide assortment of souvenirs jewellery and trinkets.

There are no less than three outdoor pools, surrounded by attractive terraces dotted with palm trees and just a few steps from the seashore. It has been totally renovated and opened to the public again in May 2013. There is also a gym and access to a nearby golf course.

Classes and Workshops

Learn and Improve teaching sessions: Philip Wylie's specially designed 'Learn and Improve' morning teaching sessions are a brilliant way to acquire fun, enjoyable and practical get up and dance know how. Your dance course covers the rich portfolio of Modern Ballroom dances – Waltz, Tango, Slow Foxtrot and Quicksteps – with an emphasis on togetherness, floorcraft and choreography. Basic work in the popular Latin Ballroom dances of Cha Cha Cha, Rumba, Samba and more will be included.

Dance venue: All the dancing conveniently takes place in the hotel.

Music and Dance Evenings: During the evenings Philip would like to offer informal tuition as appropriate for individual couples on a more personal basis than during the group sessions. Please don't hesitate to chat through the possibilities and Philip will try to help with practical advice as well as recap some of the choreography of the morning workshops if required.

Singles: Whilst those booking without a partner will be amply catered to in the classes, it is worth noting that Modern & Latin as a dance does attract couples. This might be a consideration from a social perspective on the holiday. If you are booking on your own, we will confirm your booking once we got a Dance partner with the same Dance level as you.

The main dances in modern ballroom area:

- The Waltz - Slow waltz, (Think "Come Away with Me" by Norah Jones)
- The Quickstep - As the name suggests – fast! (Think Nat King Cole's "Let's Face the Music and Dance" or "I'm the King of the Swingers" a la Jungle Book!)
- Foxtrot - Smooth as silk – (Think Frank Sinatra's "I've got you under my skin" or Michael Buble's "Just Haven't met You Yet")
- Ballroom Tango – Usually quite dramatic – (Think "Phantom of the Opera" or Fernando's Hideaway")

The Waltz – Stems from one of the oldest folk dances, which was usually danced to a faster tempo - more like the Viennese Waltz. This was refined and slowed-down for ballroom waltz to emphasise the flowing and smooth nature of the music.

It is the most danced of all the ballroom dances and along with quickstep the first you would normally learn. The famous 1-2-3 music beat makes it fairly basic to follow and relatively easy for a beginner to pick up basic steps within a short period. To master the dance and make it look really good takes a lot of dedication and therefore a good ballroom holiday would help to enhance.

The Quickstep – Very fast and fun! Along with the waltz one of the first dances you would normally learn in ballroom. The slow-slow-quick-quick-slow rhythm is quite easy to follow and therefore relatively easy for beginners to get the hang of the basic steps and quickly be able to move round a dance floor.

To become really good needs a lot of practise and energy. So most people stick to the basics with one or two fancy steps to impress. A ballroom holiday would allow a beginner to learn enough to join in a dance and more experienced dancers to add to their repertoire or polish their style.

The Foxtrot (Also known as Slow-Foxtrot) – The most difficult of the modern ballroom dances, yet often the most beautiful music (Frank Sinatra, Michael Buble, Ella Fitzgerald etc) and that is why many people will go through the pain and frustration of learning it. You would usually learn basic waltz and quickstep before starting on foxtrot, as you need to have some idea of timing and how to move with the music.

You start by being mystified by the complexity of the steps, which make no sense at all at the beginning. Then suddenly you get it - and you link it in with the wonderful music - and it was all worthwhile!

A ballroom holiday gives you the concentrated tuition and practise needed to pick the basics up in a relatively short time and for the experienced dancer, allow you to build on the grace and flow of this beautiful dance.
