Your Destination, includes sightseeing

Located on the central Eastern coastline, Spain's Costa Blanca is a popular destination for tourists who arrive every summer to take advantage of the warm climate, sun-drenched beaches, laid-back lifestyle and lively evening culture. Calpe is situated approximately 60km from Alicante airport. With around 13,000 inhabitants, this unassuming former fishing village has become a popular resort. A distinguishing feature of the town is the "Penon

de Ifach", an imposing rock which rises from the sea and creates a unique landscape for this coastal resort.

Calpe's two main beaches, the Cantal Roig and the Playa Arenal, are renowned for their long stretches of fine sand and clear waters, perfect for swimming and also popular with surfers. Protection from the wind by surrounding mountains means that the town's beaches generally remain warm and the sea calm.

The port comes alive in the afternoon as the daily catch makes its way inland and diners are invited to sample the fresh local seafood for dinner in one of the many restaurants surrounding the harbour. As well as a good choice of restaurants serving local specialities (the Valencian Paella is a must-try!), there is a good selection of international dining choices including Argentinian, Italian and other European cuisine. Calpe boasts some fantastic bars and clubs playing a wide range of live music including Flamenco bars and karaoke pubs which remain open until the early hours of the morning. For a wilder evening, Benidorm is just 20 minutes by bus.

Shopping in Calpe offers the usual traditional local handicrafts such as wickerwork, ceramics and leather goods, as well as a wide assortment of souvenirs jewellery and trinkets.

Climate and weather Calpe is located on the Costa Blanca on Spain's Mediterranean coast and the climate is always mild with a high quota of yearly sunshine.
