Classes and Workshops

Dance venue: All the dancing conveniently takes place in the hotel next door.

Singles: Whilst those booking without a partner will be amply catered to in the classes, it is worth noting that Modern & Latin as a dance does attract couples. This might be a consideration from a social perspective on the holiday. If you are booking on your own, we will confirm your booking once we got a Dance partner with the same Dance level as you.

The main dances in modern ballroom area:

- The Waltz - Slow waltz, (Think "Come Away with Me" by Norah Jones)
- The Quickstep - As the name suggests – fast! (Think Nat King Cole's "Let's Face the Music and Dance" or "I'm the King of the Swingers" a la Jungle Book!)
- Foxtrot - Smooth as silk – (Think Frank Sinatra's "I've got you under my skin" or Michael Buble's "Just Haven't met You Yet")
- Ballroom Tango – Usually quite dramatic – (Think "Phantom of the Opera" or Fernando's Hideaway")

The Waltz – Stems from one of the oldest folk dances, which was usually danced to a faster tempo - more like the Viennese Waltz. This was refined and slowed-down for ballroom waltz to emphasise the flowing and smooth nature of the music.

It is the most danced of all the ballroom dances and along with quickstep the first you would

normally learn. The famous 1-2-3 music beat makes it fairly basic to follow and relatively easy for a beginner to pick up basic steps within a short period. To master the dance and make it look really good takes a lot of dedication and therefore a good ballroom holiday would help to enhance.

The Quickstep – Very fast and fun! Along with the waltz one of the first dances you would normally learn in ballroom. The slow-slow-quick-quick-slow rhythm is quite easy to follow and therefore relatively easy for beginners to get the hang of the basic steps and quickly be able to move round a dance floor.

To become really good needs a lot of practise and energy. So most people stick to the basics with one or two fancy steps to impress. A ballroom holiday would allow a beginner to learn enough to join in a dance and more experienced dancers to add to their repertoire or polish their style.

The Foxtrot (Also known as Slow-Foxtrot) – The most difficult of the modern ballroom dances, yet often the most beautiful music (Frank Sinatra, Michael Buble, Ella Fitzgerald etc) and that is why many people will go through the pain and frustration of learning it. You would usually learn basic waltz and quickstep before starting on foxtrot, as you need to have some idea of timing and how to move with the music.

You start by being mystified by the complexity of the steps, which make no sense at all at the beginning. Then suddenly you get it - and you link it in with the wonderful music - and it was all worthwhile!

A ballroom holiday gives you the concentrated tuition and practise needed to pick the basics up in a relatively short time and for the experienced dancer, allow you to build on the grace and flow of this beautiful dance.
