### THE DESTINATION

Paphos (also known as Pafos), nestled on the western coast of Cyprus, is a city steeped in history, mythology, and Mediterranean charm. With archaeological roots dating back to the Neolithic era, it's famously known as the legendary birthplace of Aphrodite, the Greek goddess of love and beauty. The city is home to remarkable remnants of ancient villas, palaces, theatres, fortresses, and tombs from the Classical, Hellenistic, and Roman periods. Recognised as a UNESCO World Heritage Site since 1980, Paphos is celebrated as both a cultural and natural treasure. Divided into Old and New Paphos, the city is also renowned for its white-sand beaches, making it a vibrant and ever-popular destination for visitors from around the world.

### CLIMATE AND WEATHER

Paphos is pretty mild in May, but it's a good idea to bring along a jumper or light jacket for the evenings. The average daily maximum is 24 C and the average daily minimum is 14 C.

### YOUR TEACHERS

We are thrilled to present exceptional teaching and entertainment led by the renowned choreographer Maggie G.

**Maggie Gallagher** is a celebrated entertainer and one of England's foremost line-dancing instructors. She travels extensively, hosting workshops around the globe. Notably, she taught at the 1999 World Line Dancing Championships in Texas and at the Tarheel Festival in the USA in September 2000. Her subsequent journeys to Europe, Japan, Singapore, and Australia have solidified her reputation as a global leader in line dance.

Maggie has also featured in the video "Lionel Dancing" alongside Lionel Blair and other dance instructors. She instructs her own choreographed dances, including the widely popular "Magatina Cha Cha," which she created with Tina Neale and set to music by the Dean Brothers.

Many of Maggie's choreographed line dances have made their mark on the "Line Dance Charts," with hits like "Just a Memory," "Hot Love," and "Na Mara" continuing to energise dance floors at socials both in the UK and internationally. Her groundbreaking 2001 dance "Mony Mony" was the first line dance to reach No. 1 on the charts. Maggie has been recognised multiple times as "Female Linedance Personality of the Year" by Linedancer Magazine readers in 1999, 2000, and 2001. She has also received prestigious "Crystal Boots" awards for "Beginner Dance of the Year" (for "Just a Memory"), "Choreographer of the Year," "Overall Dance of the Year" (for "Mony Mony"), and "Instructor of the Year."

With a diverse background in tap, ballet, modern, and Irish dancing, Maggie's career is nothing short of spectacular. She toured with renowned performers Colin Dunne and Jean Butler, who later gained fame in Riverdance. Her love for line dancing began over seven years ago in Coventry, and she has since become a prominent figure in this vibrant dance community.

Unlike typical holiday reps, our Club Dance Holidays Hosts provide a light touch, helping you make the most of your trip without being intrusive. We leverage our local and dance knowledge to enhance your short stay. Our hosts go above and beyond to create sociable and fun evenings, often lasting into the early hours if you wish. During the day, their level of involvement varies based on the holiday and destination.
